5. Injuries	2

1. Statement of Intent

Copmanthorpe Football Club will work with hired venues to ensure that the risk of contamination is minimised. The club has resolved to abide by venue-specific requests and to communicate these with both players and spectators. The club will update this risk assessment in line with prevailing national and local guidelines.

2. Maintaining Social Distancing

Risk	Control Measure
Lack of social distancing between players.	<ul style="list-style-type: none"> • When not playing, players will be allocated a cone to stand on. They will be expected to go to the cone: <ul style="list-style-type: none"> ○ On arrival ○ When waiting to be picked up at the end of the session ○ When the coaches need to attend to an injury ○ When taking a drinks break ○ When instructed by a coach
Lack of social distancing between spectators	<ul style="list-style-type: none"> • The “Rule of six” will be requested of spectators • Spectators will be required to maintain 2 metre distancing • Each spectator group will consist of people from one household only
Multiple players lift sharing	<ul style="list-style-type: none"> • No lift sharing will be allowed

3. Hygiene and Sources of Contamination

Risk	Control Measure
Players not washing hands	<ul style="list-style-type: none"> • Parents and carers will be asked to ensure hands are washed immediately prior to leaving for the venue • Players will have hand sanitizer applied to their hands on arrival
Equipment being handled by multiple people	<ul style="list-style-type: none"> • Balls, cones and goalposts to be sprayed with anti-bacterial spray prior to activity starting and at the end of the session

Covid 19 Risk Assessment

	<ul style="list-style-type: none"> Gloves to be used when moving equipment
Players in close proximity whilst changing	<ul style="list-style-type: none"> Access to changing rooms will not be allowed All players must arrive in their kit ready to play
Spectators encroaching into designated "bubble" spaces	<ul style="list-style-type: none"> Where areas have been defined as separate bubble areas parents will be informed that they must not gather in these areas

4. Symptoms

Risk	Control Measure
Players with symptoms arriving for the activity	<ul style="list-style-type: none"> Parents advised not to attend the activity if the player or anyone in their household is experiencing Covid 19 symptoms: <ul style="list-style-type: none"> Temp 38.7 deg or above (a fever) A continuous cough or three coughing fits in 24 hours A loss of taste or smell
Players testing positive or being contacted by Track and Trace as a result of contact with somebody who has subsequently tested positive	<ul style="list-style-type: none"> Player must self-isolate following the prevailing government guidelines

5. Injuries

Risk	Control Measure
Player in close contact with other players	<ul style="list-style-type: none"> Players will be instructed not to gather around an injured player
Player in close contact with coach/first aider	<ul style="list-style-type: none"> Where possible an appropriate adult from that players social bubble will attend to minor injuries such as cuts or abrasions Where not possible or in the case of major injuries a coach will attend wearing gloves and a visor.
